

Explore the Magical Desert Camp In Jodhpur

Making a plan for desert Camp in Jodhpur? You need to hire a professional tour guide and local travel company that can arrange it for you and ensure a great experience.

When we talk about Jodhpur, it is one of the most stunning and glorious travel destinations in northern India that lures attention. It witnesses thousands number of tourist every year. This is especially recognized for its rich historical opulence and cultural past.

Want to explore Jodhpur? You should obviously arrange and plan everything for your trip well in advance, including your tour package, accommodation, etc. When it comes to accommodation (staying comfortable with an experience of royal treat) during your tour, you can find various luxurious hotels and also numerous heritage hotels in Jodhpur. However, you can explore Jodhpur in an interesting way by choosing off the beaten track.

This is where camp stays and tent stays in the desert comes in. They are immensely getting popularity and some of them are situated in the desert outside Jodhpur as well. Do not bother about any hassle. These camp stays are precisely designed and organized to meet your exact needs. They are well-equipped tents with beds and other facilities. You can have attached bathrooms and both traditional Indian and continental meals.

You can experience camel rides, 4x4 jeep safari or nature walks into the desert. Also, get a chance to see desert wildlife includes antelopes, peacocks, desert foxes, etc. Just imagine the sunset over the desert scrub, rustic food and sleep under the stars or in traditional local huts. Just stop to photograph migratory birds at Khichan village in Rajasthan on your trip from Jodhpur to Jaisalmer. Moreover, this can be a unique and breathtaking experience.

Most importantly, these camps and village stay are permanent places and most of them have outstanding contemporary amenities. We would say that **[desert Camp in Jodhpur offers a chance for travelers](#)** to get away from the oppression and congestion of the city. This is the place where you can unwind and relax without bothering about anything while connected with the rest of the modern world.

For a desert tour, you need to bring some basic things such as a good positive attitude, cool - cotton clothing (between July and September), warm - woolen items (between October and March), toiletries, flash-light, comfortable walking shoes, a water bottle, a light scarf or hat, and sun cream.

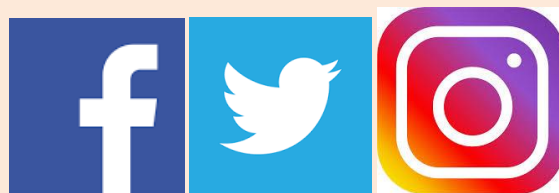

In a nutshell, this is a tour for people who seek to go down the road less travelled and experience exciting possibilities. Looking for a desert Camp in Jodhpur? You can visit www.hacra.org
