Offering [Chinese herbal supplements online](#) is another way this company reaches out to its customers and also this company has in its shelves cards, shirts, and books which one can always access and relish upon by their exquisiteness.

## **Know her who brings for you all these better Chinese herbal supplements**

The founder of Pacific Herbs, Cathy Margolin is a nationally certified and California board-certified Acupuncturist and licensed Herbalist who has been working on Complementary Medicine for around 30 years. Taken aback by western medicine's lack of holistic and preventive care, she turned to Alternative and Complementary Medicine like herbs, acupuncture, and healthy food for their healing powers and further, being under (cGMP) Current Good Manufacturing Process standards, which is the gold standard for pharmaceutical-grade herbal supplements, the manufacturing facility of Pacific Herbs caters to its guidelines. As said before, transparency is at the core of the functioning of this Chinese herbal supplements provider, with their manufacturing facility exceeding both FDA and ISO requirements.
