

# Copper Scrap Dealer in Mumbai | Best Copper Scrap Buyer

Copper scrap price depends on many factors. As we are the best copper scrap buyers in Mumbai, India needs to provide the right price by checking the quality and grades of copper scrap. Copper scrap that is uncoated has the highest value. You can recycle and reuse it easily. Copper scrap coated with alloy and insulation, paint or other coating is more difficult to recycle. So it has less value. You can check the copper scrap rate per kg in Mumbai today by calling us anytime.
