

# GET EXCELLENT AND AFFORDABLE HOTELS IN NAIVASHA

Naivasha is a town located in the Rift Valley, Kenya. It is found just south of Mount Longonot National Park and approximately 1 hour from Nairobi. The town is located along the Nairobi-Nanyuki Road and a railway line connects Naivasha with Nairobi. With dramatic view, friendly environment, natural resources and [best and cheap hotels in Naivasha](#), this town has something to offer for everyone and therefore it has become a prominent destination among tourists and locals.

### **HELL'S GATE NATIONAL PARK:**

Hell's Gate National Park is a stunning attraction located south of Lake Naivasha. There is a lot to see and do in this park, including exploring gorges, climbing rocks, viewing wildlife, enjoying a nature walk, and having a picnic in the park's plains. Wildlife you can see here includes zebras, buffalos, gazelles, and hartebeests.

## CRESCENT ISLAND GAME SANCTUARY:

Crescent Island is the deepest area of Lake Naivasha, which is 15 minutes away by boat from the shores of Lake Naivasha and 80 kilometers from Nairobi via the Moi South Lake Road. If you're looking for another opportunity to get up close and personal with wildlife, Crescent Island is a good place to visit. The island is home to a high density of animals—so you're guaranteed for sightings! On this park you can enjoy nature walks and view wildlife such as giraffes and zebras. This park is also known as the bird sanctuary, and it provides a habitat for many different species of birds. The animals here are used to human presence, so you can get relatively close to observe or take photographs as you walk around the island.

## **CRATER LAKE:**

Crater Lake is a green lake in an old volcanic crater. However, it's not the lake itself that you want to see; there are hiking trails here that lead to amazing views and complete solitude.

## **LAKE NAIVASHA:**

Lake Naivasha is one of the freshwater lakes in the Great Rift Valley. It is a popular tourist attraction and also home to many species of birds and hippos.
