

# Step-by-Step Guide to Moving Homes Efficiently

## Plan and Budget Early

Choose a moving date and set a budget for movers, packing supplies, and insurance.

## Book Movers & Gather Supplies

Research and book a reputable moving company in advance.

## Pack in Stages

Start with least-used rooms and pack room-by-room, labeling each box.

## Final Preparations

Set up utilities at the new home and update your address with banks, subscriptions, and the post office.

## Moving Day and Unpacking

Generate a wide range of creative ideas to address the defined problem and encourage brainstorming
