A row of ten light-colored wooden blocks is arranged on a wooden surface. Each block has a single lowercase letter printed on it in a black, sans-serif font. The letters, from left to right, are 't', 'h', 'a', 'n', 'k', 'y', 'o', and 'u'. There is a small gap between the 'k' block and the 'y' block. The background is a soft-focus bokeh of warm, golden-yellow lights, creating a warm and appreciative atmosphere.

thank you
