Premium Aromatherapy Products

Hand-poured candles and artisan essential oil blends promote relaxation, focus, and mood enhancement. Made with natural ingredients, these products elevate daily life with a touch of luxury. Perfect for mindfulness and stress relief.

Herbal Teas and Wellness Beverages

Savor relaxation and clarity with herbal teas like PsiloSpice Apple Tea, infused with calming herbs and psilocybin mushrooms. Seasonal mixes, like Turkey Tail Gravy, add therapeutic benefits to holiday meals. Wellness in every sip!

Artisan Craft Kits

Engage in mindfulness with seasonal craft box like candle-making and botanical art, designed to reduce stress and inspire creativity. These hands-on projects offer a therapeutic escape and a joyful creative outlet.

Exclusive Collectibles and Merchandise

Join Craft Club boxes feature branded items like mugs and tote bags, plus surprise seasonal keepsakes. These unique collectibles enhance the unboxing experience and foster a sense of community and belonging.
